

Hello!

Remember the saying “short term pain for long term gain?” Well that will be applicable for Lucky Paws **starting May 15th** and lasting for approximately a month. PA Dot will be fixing 200 or so feet of Lovi Road from our Driveway UP THE HILL towards Freedom Road. What does that mean for you? It means a DETOUR to get to Lucky Paws.

Road closure! Detours! Yikes! We have you covered.

If you are coming from Cranberry, Wexford, Mars and normally coming from Rt 19 and cross onto Freedom Road – do that! Just turn RIGHT at POWELL ROAD (by the BP gas station) and follow Powell Road to Rochester Road for approximately 1 mile to the traffic light and turn LEFT. Steel School Road comes up in 1.3 miles on the LEFT and is a little hidden so look for it. Make the LEFT onto Steel School Road and follow for .7 miles until you come to LOVI Road (our road!). Make a left onto Lovi and drive past a pretty farm and come down the hill for another .7 miles – Lucky Paws will be on your RIGHT. Remember to slow down and check to see if there is a vehicle coming down the driveway before you turn up our driveway.

You can follow the posted detour past Steel School Road to Rochester and State Route 989 which will take 6.1 miles in total from the BP but taking Steel School will save you several minutes and it is a pretty drive to boot.

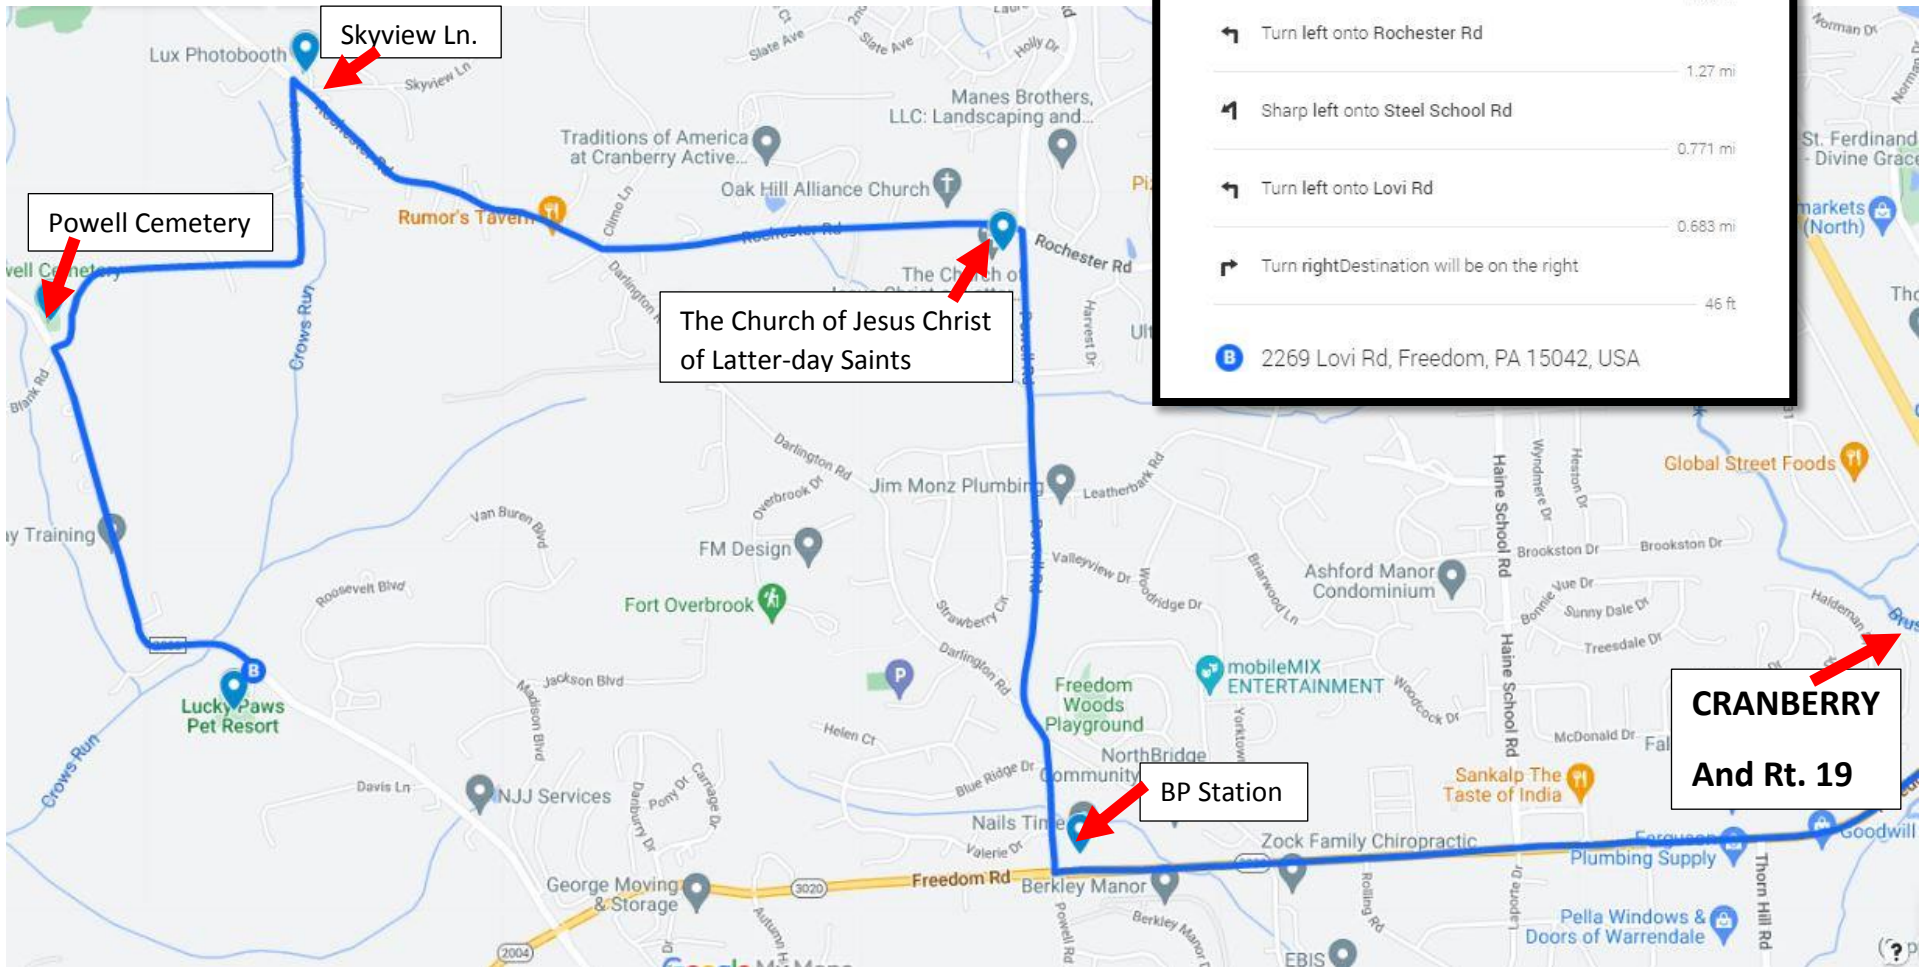

If you are coming from Conway, Economy, Baden, Ambridge – follow the detour signs from Route 989 to the Little Super (corner of 989 and Lovi) and turn RIGHT onto Lovi Road (our road!) and follow until you see Lucky Paws on the RIGHT.

We know the timing is a bit inconvenient with the start of pool season and summer. The contractors assure us they will work as quickly as possible to stabilize the hillside and make the road safe for years to come.

We thank you for your patience and we look forward to seeing you and your pets soon!
